All sponsors will be recognized on SCI Naples-Ft. Myers Chapter's Website, Newsletter & Annual Banquet's Catalog.

Adult/Youth Hunt by Razzor Ranch:

SCI Naples-Ft. Myers Chapter have been fortunate to have (5) of these hunts available for our Chapter. This gives opportunities for the younger generation along with an adult to learn about hunter safety, proper firearm instructions, conservation plus a chance for them to hunt an Axis deer and meat hog.

VALUE: \$1,000.00

Pathfinder Hunts

Each year SCI Naples-Ft. Myers Chapter has also been privileged to sponsor local disabled, visually impaired adults and/or youth and providing them the opportunity to hunt.

VALUE: \$3,000.00

Drone for Anti-Poaching

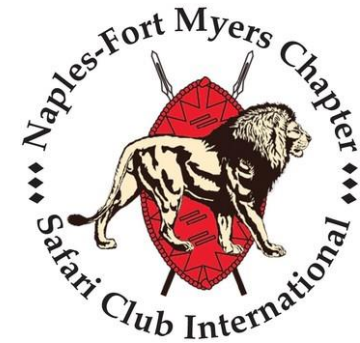

SCI Naples-Ft. Myers Chapter is highly dedicated with anti-poaching throughout out the world and have organized speeches to local groups as well as donating a drone to an Uganda outfitter for combating their ongoing poaching problem.

VALUE: \$2,100.00

American Wildlife Leadership School

SCI Naples-Ft. Myers Chapter sponsors educators to attend a week program at AWLS. Then the educators provide their knowledge to our members on educating others on conservation, ethical hunting practices and firearm safety.

VALUE: \$1,800.00/teacher

Who We Are

Safari Club International Naples-Ft. Myers Chapter (SCI NFM) is an organization representing hunters all over the world, which gives us opportunities to hunt, educate and conserve around the world. We bring hunters of all ages together to share their hunting experiences with each other. SCI NFM Chapter holds several monthly social and informative meetings with special speakers. We also host an annual Banquet & Auction with hunting related items and hunts that are sold in the silent and live auctions. Our Chapter not only provides seminars for our members, but we donate to local charities and nonprofit organizations that help support SCINFM Chapter's goal on conservation. For instances, one of our donations goes to the Naples Zoo to help their mission, "To inspire people of all ages to respect, value and help conserve wildlife and our natural world."

Why Sponsor An Event?

Safari Club International (SCI) Naples-Ft. Myers Chapter supports many worthwhile projects from offering and subsidizing hunts and equipment for physically challenged adults and kids to helping in the efforts of anti-poaching by supplying a drone to curb poaching in Uganda. Do you support wildlife conservation? Do you support protecting the freedom to hunt? Do you support worthy causes like helping disabled veterans? **Sponsor one of SCI Naples-Ft. Myers Chapter's Events and help support Our Cause!**

Safari Club International Naples-Ft. Myers Chapter is a 501(c) (4) organization. Consult your tax advisor regarding the deductibility and exceptions for your contribution.

ADULT/YOUTH HUNT

At Razzor Ranch in Florida, their guides have been hunting and training young hunters for years. They teach you how to shoot, go over gun safety, when to shoot and when not to, walk you thru a hunt step by step before you hunt on their private shooting range. A seasoned professional guide will be by your side from sighting your gun in to the final shot of your animal.

PATHFINDERS

The SCI Foundation Pathfinder program provides funding to SCI Chapters in support of their activities that engage disabled, terminally ill, wounded military and veterans who are hunters into the outdoors. Often, the reintroduction to nature and hunting helps these hunters to find their way to adapt to their life changes and challenges and helping others along the way.

DRONE

Drones help combat the ongoing poaching problem. Flying silently and invisibly drones track both wildlife and the movement of hunters. They are equipped with daytime and infrared cameras, transmitting live footage to a controller. This allows the outfitter to monitor at-risk wildlife from a safe distance and stop poachers before any slaughter takes place.

AWLS

The American Wilderness Leadership School (AWLS) provides the perfect atmosphere for educational programs. Established in 1976 with the vision of providing educators with a useful hands-on experience that they can bring home to their classrooms.
