Newsletter 2018

Winter Issue

President's Column...

Happy Holidays! We started off the season in October with our kick off at Naples Zoo, then an incredible speaker, Dr. William Mitsch from the Everglades Wetland Research park to the latest event that just occurred on December 1st, the Member Hog Hunt! All these events were successful with great turnouts!

Mark your calendars for the next event, the Chapter Christmas Party at Greg and Jessica Cheek's house on December 8th, 2018! Please RSVP to my email if you are attending.

Jessica and I will be attending the SCI's National Annual Hunters' Convention the weekend of January 9th to 12th, 2019 in Reno, Nevada. This is an excellent event and encourage all members to attend the national convention. The Safari Club International stated, "The allure of SCI's 2018 Annual Convention attracted over 18,000 attendees. This hunters' heaven has everything the mind can dream of and occupies over 452,000 square feet of exhibit space. Six continents are under one roof where members come to book hunts, rendezvous with old friends and shop for the latest guns and hunting equipment." <https://www.showsci.org/>

The Member Quail Hunts on January 5th, 2019 is already SOLD OUT, but there is time to reserve your spot-on January 19th, 2019 for the Trap Shoot Event at Gulf Coast Clays @ Port of the Islands.

The big event just around the corner is our annual SCI Naples-Ft. Myers Chapter Banquet and Fundraiser is on February 16th, 2019! An order form is found with this newsletter or download the form from our website, www.scinaples.org, under the BANQUET icon. Checkout the LIVE AUCTION PREVIEWS and add many of the live auction donations to your Christmas Wishlist as well as your family, friends and loved ones Wishlist too!

Wishing Everyone Peace and Joy
this Holiday Season!
