## President's Column...

Happy New Year! I hope everyone got to spend time with their family and friends over the holiday season.

We started off the new year hunting Quail at the sold-out Member Quail Hunt at Silver Lake Preserve on January 5, 2019.

Jessica and I also attended the SCI's 47th National Annual Hunters' Convention in Reno, Nevada. The SCI Convention this year ran from Jan. 9-12 where the world's most serious hunters from more than 100 countries around the world rendezvous at the Reno-Sparks Convention Center for a great time and to raise millions of dollars to support SCI's mission to protect the freedom to hunt and promote wildlife conservation worldwide. Mark your calendar now and plan to attend! SCI's next Convention will be held in Reno January 15-18, 2020.

The big event just around the corner is our annual SCI Naples-Ft. Myers Chapter Banquet and Fundraiser on February 16<sup>th</sup>, 2019!
